Triple Draw Dramaha Tournament Structure

Dramaha is a split pot game with half the pot going to the best draw hand (using all five cards from a player's hand) and half the pot going to the best Omaha high hand (using exactly two cards from a player's five card hand and three from the board). Triple Draw Dramaha is a variation where players can draw cards to replace some or all of their hand after the flop, turn, and river. The game is played in limit format.

Pot Limit Omaha (with lammers) Tournament Structure

Time: Sunday, 12/13/2020 @ 12:00 noon EST
Initial Chips: T10000 + 2 lammers worth T5000 each for T20000 total.

Any number of lammers may be converted to tournament chips between hands by typing "redeem [x]" in the command box all the way at the bottom of the screen (not the chat box) where [x] is the number of lammers you wish to redeem. For example, they may both be cashed in at the beginning of the tournament to create a T20000 stack, or they may be cashed in one at a time after the player loses his or her stack, or any combination in between. If not used earlier, all lammers must be cashed in at the end of level 12.

Rounds: All levels are 10 minutes. 9 handed tables.
